Theme /name of the Event: VOTING AWARENESS DRIVE

The NSS Unit of Karnatak Arts, Science and Commerce College, Bidar organized a voting awareness drive on 04 April 2019. Through this drive, the students were also encouraged to vote in the upcoming elections. The candidate wanting to enroll had to produce the required documents as per the NSVP website. The documents were first verified and compressed to the required size. Then the students were asked about their credentials to fill out the form6 available online on the NSVP website. They have explained the significance of NOTA and their role in the government. In the end, a reference ID is generated which helps in tracking their voter ID status.

The event went very smoothly and was helpful to the new voters who were unable to fill out the form. A surprising number of students turned up for registration. It was a successful event and the KASCC NSS unit would love to see more youngsters turning up to vote at this Vidhan Sabha Elections. KASCC NSS is happy that they could spread awareness and help in creating a better future for our country.

A total of **62 students** participated in this drive.
