## Department of Library

### Appreciation Letter

The library of Karnatak Arts, Science and Commerce College (KASCC), Bidar, is unique in Kalyan Karnataka, with a rich collection of online and offline reference material. The KASCC, the library, has been extending its service to the other neighboring colleges of the Bidar district and shares vast and rich reference e-resources. Our college has been using online and offline resources from the KASCC library. On behalf of all the staff members and students of our college, I appreciate the excellent service rendered by the KASCC library, and we are also thankful to them.
