The NSS Unit of Karnatak Arts, Science and Commerce College, Bidar, and Government Hospital, Bidar jointly organized Blood Donation Drive on the college premises on 15 October 2019. We collaborated with a Blood bank which would use all the collected units to fulfill the medical requirements of a patient the proceeding began at 10 am. sharp. The donors had to register themselves, and then proceed toward their screening. Medical tests for blood pressure and hemoglobin were conducted by a team of professional doctors. After approval, they could proceed to the donor's room. To ascertain hygiene and comfort, great care was taken by the volunteers and the support staff in every aspect of the process. Post-donation, donors were guided to the refreshments room where they were served energizing drinks and healthy food. All the donors were also given certificates and badges, to appreciate their will to contribute. An additional mobile van was also arranged at the college campus for students in an emergency. Many faculty members, including our NSS officer Sri. Sunilkumar Mulge, volunteered for the drive and donated blood. At this event Principal Dr. Kalpana Deshpande, Vice Principal Mallikarjun Hangarge, Prof. Rajendra Biradar, and others were present. The drive ended at around 4 pm.

A total of 47 units of blood were collected from 47 students.
