Report

Impact Lecturer Series – 01

Sponsored by MoE's Innovation cell AICTE Cell, New Delhi

Theme: Intellectual Property Rights & Innovations

Organized by

IIC Cell, Karnatak Arts, Science & Commerce College, Bidar

On 22-07-2022

Online Session – 01:

Title: Intellectual property rights

Time: 10:45 am to 11:45 am

On 22 July 2022 a memorable and most informative online session was organized by our college at 10:45 am, under the IIC cell of KASCC, Bidar, Impact lecture series – 01 conducted in two online sessions and it was held in Auditorium of KASCC, Bidar. In this impact lecture series witness by our college students, teachers and industrialist of our city. It followed by welcome speech given by the principal **Dr. M. S. Chelva** then there was a guest introduction presented by **Prof. Anilkumar C.** Vice-Presidents of IIC Cell of our college.

The first online session sharply began at 10:45 am and key note speaker **Dr. Sharan Gouda**, Assistant Controller of Patent and design & head Biotechnology Group, Patent Officer Chennai. Title of his talk is Intellectual property rights; sir has covered all the topics of IPR in India such as follows.

- Introduction
- About IPR in India
- Basic Concept of IPR
- Objectives of IPR

After covered the above **Dr. Sharan Gouda**, Explained about IPR and shared the most valuable information regarding how to register the patents in India, and also explained detailed about the Types of IPR and Government policies and its laws in India in that the following topic has been covered

- Trademarks
- Copyrights and related rights
- Geographical indications

ATTESTED

**Vice-Principal &
IQAC. Coordinator
Karnatak Arts, Science &
Commerce College, Bidar**

- Industrial designs
- Trade secrets
- Layout design for integrated circuits
- Protection of new plant variety

Dr. Sharan Gouda guided with the inspirations words and also shared the knowledge how to do the better with IPR. This talk is concluded by student's interaction with the guest speaker.

For these online talk 358 students register through Google form and 216 students attended the online session.

It was followed by the formal vote of thanks by **Dr. Somnath Mudda**, Co-coordinator of IIC Cell KASCC, Bidar.

Online Session – 02

Title: Intellectual property rights

Time: 11:45 am to 12:45 pm

After completion of the first online session, next online began for this there was a guest introduction presented by Prof. **Somnath Biradar** Co-coordinator of IIC Cell KASCC, Bidar.

Mr. Gururaj Surampalli, director Edureq skill development LLP, MoE's Innovations ambassador IIC-GNDECB, President Nain Incubations College Co-ordinator, Bidar such a great speaker started his talk with the title of Innovations & Technology this sharply begins at 11:55 am sir started his talk with Introduction part explained detailed which are the implications of innovation in economic and social life? The answer to this question, as one can argue, is based on the meaning of the term innovation. A widespread perception on innovation is one that refers to advanced technology solutions offered by using the latest knowledge. Such innovations are mainly considered to be the result of highly skilled workforce and businesses activity with significant research and development intensity, having close linkages to the most important centers of excellence in the scientific world.

The significance of innovation is, however, broader and includes innovations that are not achieved within high-tech industry mentioned above. From this last perspective, innovations do not include only new products or processes, but also cover the improved ones resulted from the so-called low-tech sectors, which may have cumulative economic and social effects as important.

Mr. Gururaj Surampalli has been explained detailed about the Innovations & Technologies the following topic has been covered the Education Technology Objectives.

- Classroom and Institution Management
- Better Lectures and Presentations
- Reflect Work Conditions
- Remediation
- Technical Training
- Customized Learning
- Diagnostic Model of Education
- Extended Learning
- Self-Directed Learners

Mr. Gururaj Surampalli guided with the inspirations words to all the students and also shared the intellectual knowledge how to do the better Innovations & Technologies in respective filed, this talk is concluded by student's interaction with the guest speaker.

It was followed by the formal vote of thanks by **Dr. Vinodkumar K**, Convener IIC Cell KASCC, Bidar.

For these online talk 358 students register through Google form and 216 students attended the online session.
