**One day workshop on Intellectual Property Rights and Its
Protection in INDIA**

REPORT

Dr. Sharan Gouda Explained the importance of Intellectual property rights in India mainly include encompassing Trademarks, Copyrights, Patents, and Design, etc. Each category of Intellectual property covers a different group of properties and work. It is necessary for choosing the right category to safeguard the work and the business property.

Sir Also explained about the Intellectual Property Rights are legal rights, which result from intellectual activity in industrial, scientific, literary & artistic fields. These rights Safeguard creators and other producers of intellectual goods & services by granting them certain time-limited rights to control their use. Protected IP rights like other property can be a matter of trade, which can be owned, sold or bought. These are intangible and non-exhausted consumption. Indian government approved its first Intellectual Property Rights Policy.

All the students and staff enriched with this workshop.
