Karnatak Arts, Science and Commerce College, Bidar

National Service Scheme (NSS)

Date: 28 September 2020

Location: College Campus

Organizer: NSS Unit

Theme /name of the Event: Free Dry Ration and Vegetable Distribution

The NSS Unit of Karnatak Arts, Science and Commerce College, Bidar has organized free Dry Ration and Vegetable Distribution for the needy. We are all well aware of the effects of Covid-19 that are spreading like a wildfire, worldwide. The world has come to a standstill and it has left all countries paralyzed. This pandemic has left everyone helpless starting from the poor to the ministers who are incapable of holding up the country's shattering economy. The pandemic and especially the lockdown have devastated the economy and left the poor far behind. The COVID-19 catastrophe is now largely seen as the greatest economic calamity since the Great Depression.

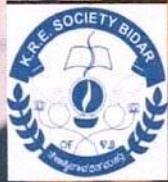

The lockdown has made most middle-class families suffer financial struggles and cut down their monthly budgets and if we start talking about the conditions of the poor and daily wage-earners then it would be very difficult for us to articulate their miserable conditions into a paragraph.

Our institution has come forward to help people in need. It was a great initiative taken by the President of the K.R.E Society Dr. Baswaraj G. Patil. On this drive and distributed 80 packets of dal, rice, potato, and onion were on 28 September 2020. Many volunteers came forward and bought 100 kgs of rice and 60 kgs of dal and distributed the packets to the poor along with dry vegetables like onions and potatoes. The motive of this drive was to reach out to the people in need and provide them with food but the motive will completely be fulfilled if other institutions step out and help, to reduce the hunger of the poor.

This compassionate initiative by the college to help the poor and the daily wage-earners who have no income right now was indeed praiseworthy. We should all, who are privileged enough, come out and help the needy at least with the basics, like, food. Seeing people die out of hunger is very despairing and the pandemic and the deadly cyclone have widened the gap between the rich and the poor. The damage to health, wealth, and well-being has been enormous. "No one has ever become poor by giving." Food packets are distributed by District Commission Sri. Ramchandran R, KRE Society's President Dr. Baswaraj G. Patil, and other office bearers. **A total of 28 poor families benefited under this drive.**

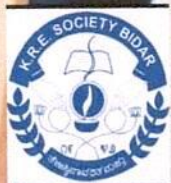

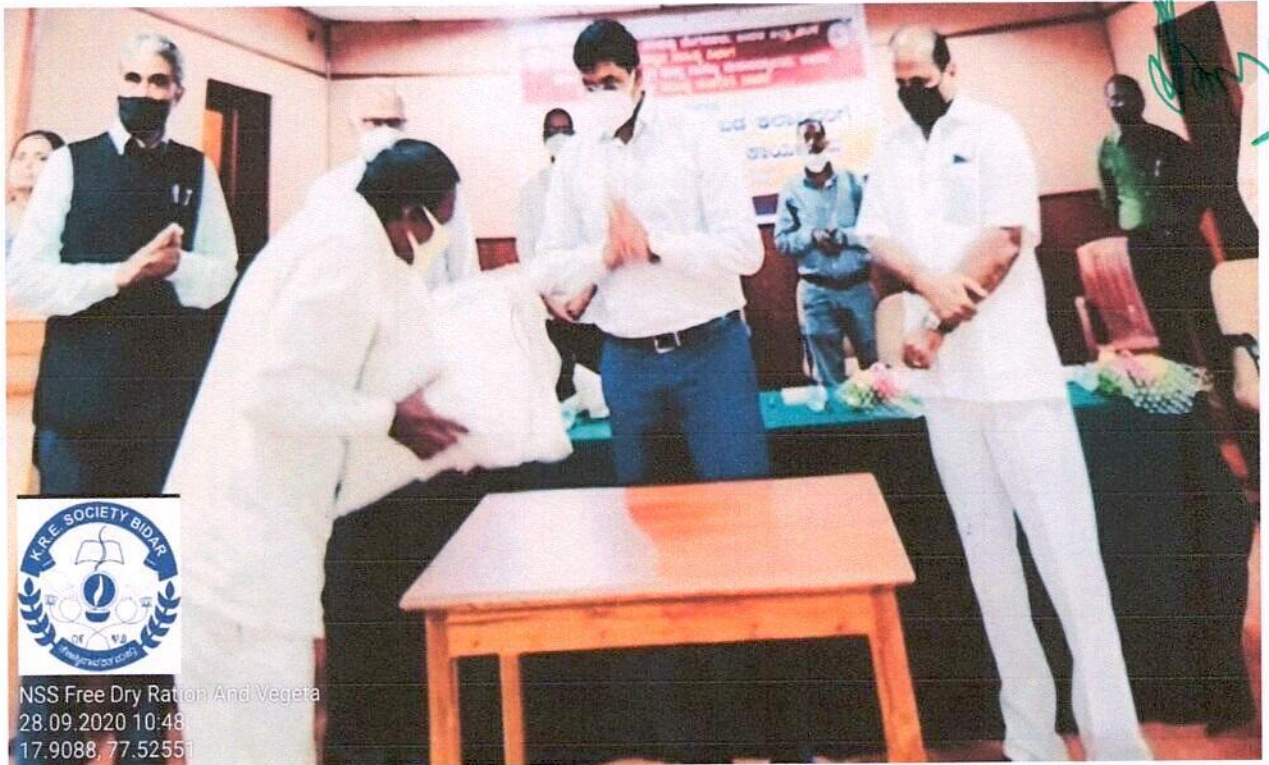

A total of 21 students participated in this drive
