

## 2020-2021 MOU Activity

Department of Zoology, Karnatak Arts, Science & Commerce College Bidar conducted a MOU activity with KVAFSU Bidar.

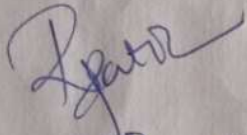

This activity is beneficial for our students in their learning process & along with their project activity it helpful.

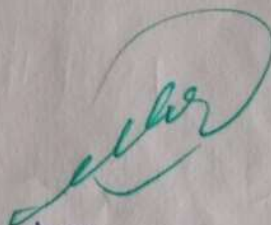

This linkage between KRE Society's Karnatak Arts, Science & Commerce College Bidar & Karnataka Veterinary, Animal & Fisheries Science university (KVAFSU), Bidar.

This linkage is beneficial for encouraging students in getting varied training/field visits required as per the curriculum prescribed by the Gulbarga University Kalaburagi for B.Sc(CBZ) & M.Sc Zoology with the help of linkage our college students.

The following are the project activity conducted in the KVAFSU:

- Attended the lecture series relate to pig farming.
- Students also collected information about importance of pig farming in our city.
- Students interacted with Dr. Akash (intern) & Dr. Satish who gave them all the necessary informations regarding pig farming.
- Dr Satish also gave students about other types of farming in our city.

## Feedback Report by the Students on MOU Activity

Department of Zoology, Karnatak Arts, Science & Commerce  
College, Bidar a MOU Activity with KVAFSU Bidar.

We have visited the Veterinary College to study about the  
Sheep Diseases & treatment & to study about the Variety of  
Sheepes & species details. We have seen different types of  
Sheeps, & their commercial Aspects. We also have  
collected the species names regarding the Varieties of  
Sheeps. They gave the lecture on the different  
diseases & the treatment with respect to Sheeps.  
We have collected the more information regarding  
the Economic values of wool, meat etc. This is  
best for rearing purpose for field works & for  
poor people.
