Mahatma Gandhi said "There are so much hunger in the world that god can not appear better than in form of bread". Food clothing and shelter is the most important basic human needs food is very important to survive in life many Street peoples and slum people do not get food properly which is why they often fall sick and get different health problems how foundation provides them holistic nutritious food to daily wage workers and migrant labors. **Our volunteers served food to nearby Baridshahi Garden areas and distributed nutritious food to them on Eve of Ekta Divas (31-10-2020) to exhibit the solidarity in unity with various religious people. We have served the food for more than three people.**
