DEPARTMENT OF ELECTRONICS

Name of the Department: Visit to GND engineering college bidar

Date of visit: 17 jan 2022

Faculty Coordinators: Anilkumar C and Somnath biradar.

Class: Final Year B Sc

Number of visitors: 40

Department of Electronics has organized **Visit to VLSI DESIGN LAB of GND Engineering college Bidar** on above mentioned date.

The main aim of this visit of the VLSI DESIGN LAB is to expose the students to the circuit design of analog and digital circuit using Cadence Virtuoso tools. It also aims to understand how to measure different performance parameters of the circuits, Create some innovative ideas for the students to design various circuits to satisfy the performance parameters of the design..

We reached the college at 03.00 pm and visited the IOT lab Dr. Anuradha S madam explained in detail dynamic characteristics of various analog and digital circuits .. Then we went to VLSI lab Dr. Ravindra E explained the development of technology and demonstrated few experiments. . The visit was completed at 5.00pm.

The visit was very fruitful and the students gained the knowledge of

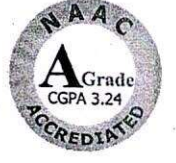

1. Circuit design using cadence tools.
2. Drawing layouts using Cadence for various circuits and doing simulations.
