About the event:

A total of 45 cadets of KASCC, have went to the Basweshwar Circle which is nearby the college, and made their efforts to convey the guidelines used by the state and Central Govt to protect them from COVID-19 infection by taking vaccination in time. They have rendered this service since morning 8AM to evening 6PM. Various tools offline as well as online is being used by our NCC cadets of Karnatak college Bidar to make aware the society about the COVID-19 vaccination, its uses and protections for life is been used against COVID-19 virus of this time. A potential way to boost well-being in a time of crisis may be to increase people's sense of 'mattering', through volunteering. This may bring particular benefits to older members of the population, enabling them to establish a strong social role and ties. But since they are at particular risk of negative effects from contracting COVID-19, volunteering may be curtailed at present by advice to avoid social contacts.
