DEPARTMENT OF ELECTRONICS

INDUSTRIAL VISIT REPORT

Name of the Department: Bhavani Industry

Date of visit: 05 Feb 2022

Faculty Coordinators: Dr Rajendra Biradar and Somnath Biradar

Class: Final Year B Sc

Number of visitors: 40

Department of Electronics has organized an Industrial visit for Final year B Sc Students to Bhavani Industry, Behind Bidar Institute of Medical Science Bidar on above mentioned date.

Bhavani Industry offers an exhaustive and pioneering product range of power Electronics products with completely customized solutions to keep costumers ahead in the competitive arena.

The industry manufactures a varied range of products, such as Inverters, batteries, drivers, and solar inverters. The product development is a continuous process at Bhavani Industry.

We reached the Industry at 10.00am and after reaching the Industry we are divided into two groups. Then we went to battery manufacturing section with Ajayakumar. He explained about the designing, maintenance application of batteries. Another group went to inverter manufacturing section with Karthik. He explained about the design and manufacturing of inverters including solar inverters and single phase UPS. Both the technicians explained about their experience in manufacturing and supplying power quality back up products.

The visit was completed at 1.00pm. The visit was very fruitful as we observed manufacturing department of various power electronics products. We collected very important information like application and practical aspect of various products which were not available in books and other literature. Many of our doubts are cleared by discussion with experts of the industry.
