Sub: Request to collaborate the awareness program for farmers on promotion of traditional species of crops.

Respected sir,

With reference to the above cited subject we request you to collaborate the awareness program for farmers on promotion of traditional species of crops in Nagur village on 28/7/22 collaboration with KVK. The students of B.Sc are also included for awareness camp and also your scientist can share the views about traditional crop species to the farmers. So that the farmers can gather the traditional crop and their uses in day today life at the same time the students are also benefited. In this regard your cooperation and support is highly appreciated.

Thanking you
