Department of Botany

Report

The Department of Botany conducted Alumni Talk by Ruben Ashirvadam on 16 January 2019 for the students of Botany. Ruben Ashirvadam is working as a Junior Scientists Department of Soil Science, Horticulture College, Bidar. He shared his experiences about college days and importance of subjects in Botany. He discussed about "Carriers in Horticulture. He interacted with the students about the need and expectations of Job and Research in Horticulture. The session was very informative and interactive for the students and it was organized by D.G. Joshi, Head Department of Botany.

He also explained about.

1. Build a strong foundation in Hybridization techniques like Emasculation, bagging, tagging for crop improvement and Horticulture techniques like grafting, gooting, layering, side grafting, bud grafting etc.. for improvement of horticulture crop
2. Seek variety of career options in Horticulture
3. Equip with skills and knowledge to excel in their future careers
4. Develop critical thinking skills in students
