About:

Career guidance program: Yuva Kaushalya is a Karnataka state government programme organized by the Department of Computer Science to raise awareness among students about the importance of improving their skills through training. This training is a programme of the Government of Karnataka under the Skill, Employment, and Entrepreneurship Department to help students enhance their skills to get jobs in various fields.

Students must register on www.kaishalkar.com, and trainings will be provided by any government diploma or degree college to ensure the success of this program. Our students are raising awareness in various villages by organizing awareness programs.
