**Subject** – Seeking your support to give permission to interacting with B.A and B.Com final year students regarding career guidance and job opportunity.

Respected Sir,

#### Greetings from Deshpande Skill Gurukul, Hubballi.

Deshpande Educational Trust is a pioneering residential skill development organization that was started by the Deshpande Foundation in 2010. It was born out of the pressing need for skilled human resources to power the growth of the 100+ social impact organizations the Foundation was working with. Rural youth, with education ranging from primary school to graduates, were equipped with essential hands-on skill sets currently in demand in the local economy. They also cultivated exemplary personality traits like discipline, hard-work, sincerity, resourcefulness and most importantly, a problem-solving mindset, which enabled them to secure gainful employment in local enterprises with significantly higher salaries compared to their peers.

Today, DET has grown to become recognized as India's leading skill development organization, which not only teaches youth necessary skills for employment but makes them learners for life. Our alumni have soared to great heights as entrepreneurs and entrepreneurs, bringing glory to their employers and more importantly, to their families and communities who had given up hope.

We are sure that your students will benefit from our constantly evolving training. Hence, we are seeking your support for advising the benefits of employability skills and its good platform for those who are looking for career opportunity.

In great appreciation of your support and looking forward to a fruitful partnership,
