Vr. No. Dated 12/10/18
PAID & CANCELLED

Respected Sir,

I would like to request your approval to participate in Faculty Development Programme on Document Image Processing and Its Applications. This event is a unique opportunity for me to gain knowledge and insight I need to solve real life challenges and to help me, contribute to the research in the field.

This event will provide unique opportunities for collaboration across the diverse, national Document Image Processing community and provide rich networking opportunities that spark innovation and allow Document Image analysis researchers to engage with each other about topics of mutual interest.

Although I understand there might be financial constraints in sending me to this event, I believe it will be an investment that results in immediate and longer term benefits. My objectives in attending this event are:

1. To enhance my knowledge in the field and get equipped with recent advances in field. After coming back I will share the gained insights on the above mentioned topics with students and research scholars of Department of computer Science.
2. I will create the network with fellow researchers and experts that will benefit to the Department of Computer Science in near future.
3. To learn the industry oriented aspects of document analysis technology about I am not aware about which.

FDP on Document Image Processing and Applications would be a valuable experience for me and one that would benefit our organization. It will cost only 2000 INR to register for this FDP. I hope you support my participation. Thank you for your consideration.

Sincerely

For bus ride queries

Call: 080-30916650 | phonepe_support@redbus.com
For any payment related queries write to PhonePe at support@phonepe.com

Terms and Conditions

PhonePe does not operate bus services of its own. In order to provide a comprehensive choice of bus operators departure times and prices to customers, it has tied up with service providers. PhonePe's advice to customers is to choose bus operators they are aware of and whose service they are comfortable with.

PhonePe responsibilities include:

1. Issuing a valid ticket (a ticket that will be accepted by the bus operator)
2. Ensuring customer support and information in case of any delays / inconvenience
3. Providing refund and support in the event of cancellation

PhonePe responsibilities do not include:

4. The bus operator's bus not departing / reaching on time
5. The bus operator's employees being rude
6. The bus operator's bus seats etc not being up to the customer's expectation
7. The bus operator canceling the trip due to unavoidable reasons
8. The baggage of the customer getting lost / stolen / damaged
9. The bus operator changing a customer's seat at the last minute to accommodate a lady / child
10. The customer waiting at the wrong boarding point (please call the bus operator to find out the exact boarding point if you are not a regular traveler on that particular bus)
11. The bus operator changing the boarding point and/or using a pick up vehicle at the boarding point to take customers to the bus departure point.

The departure time mentioned on the ticket are only tentative timings. However the bus will not leave the source before the time that is mentioned on the ticket.

Passengers are required to furnish the following at the time of boarding the bus:

1. A copy of the ticket (A printed copy of the ticket/the printed copy of the ticket email or M-Ticket, wherever acceptable)
2. A valid identity proof

Failing to do so, they may not be allowed to board the bus.

Amenities shown for a bus have been configured and provided by the bus provider. These amenities will be provided unless there are some exceptions on certain days. Please note that this information is provided in good faith to help passengers to make an informed decision. The liability of the amenity not being made available lies with the operator.

In case a booking confirmation email or sms gets delayed or fails because of technical reasons or as a result of incorrect email ID / phone number provided by the user etc. a ticket will be considered 'booked' as long as the ticket shows up on the confirmation page in PhonePe app.

Grievances and claims related to the bus journey should be reported to redBus support team within 10 days of your travel date.

Please note the following regarding the luggage policy for your journey:

1. Each passenger is allowed to carry one bag of upto 10 kgs and one personal item such as a laptop bag, handbag, or briefcase of upto 5 kgs.
2. Passengers should not carry any goods like weapons, inflammable, firearms, ammunition, drugs, liquor, smuggled goods etc and any other articles that are prohibited under law.
3. Bus Operator reserves the right to deny boarding or charge additional amount in case passenger is travelling with extra luggage than what is mentioned above.

Partial Cancellation is NOT allowed for this ticket. Charges for complete ticket cancellation are mentioned below.

Cancellation time	Cancellation charges
4 hours before departure	100 %
12 hours before departure	25 %
24 hours before departure	20 %
More than 24 hours before departure	15 %

Cancellation of this ticket is NOT allowed after bus departure time.

Welcome

Teachers need to constantly upgrade themselves to learn about advances in their domain, and to understand the best practices for facilitating best possible learning. IIT Bombay, through a decade long effort in using Technology to offer high quality training/ orientation programs for teachers.

The T10kT project (supported by National Mission on Education through ICT) at IIT Bombay, permits thousands of teachers to benefit from each of these programs. Use of online and blended approach allows participants to complete a significant part of training online, thus reducing the time which must be spent on face-to face synchronous interaction.

A Teaching learning Centre (TLC) has been setup at IIT Bombay under Pandit Madan Mohan Malaviya National Mission for Teachers and Teaching. Our Faculty Development Programs (FDPs), approved by AICTE are now conducted under the aegis of this scheme.

Abstract

Pharmacognosy is the simple and reliable tool by which complete information of the curd drug can be obtained. In this context, authentication and quality assurance of medicinal plants, pharmacognostic, physicochemical, fluorescence analysis, extractive value and organoleptic characters were determined. Studies of three different spp. of *Opuntia* were carried out. The macroscopic evaluation revealed characters that are of diagnostic value and useful in authentication of the plant. The Physicochemical analysis reveals values for moisture content, organic solvent extractive, water extractive and total ash. Information obtained from these studies can be used as markers in the identification and standardization of these plants as an herbal remedy.

Keyword: *Opuntia*, physicochemical, fluorescence, fruit, cladode

Abstract: - Hydroponic soil-less farming system is well-developed and studied in the laboratory and can also be used on commercial scale for organic farming. There are number of disorder and diseases occur in human population due to excessive intake of chemical fertilizers and pesticides sprayed on vegetables. Therefore there is increase in demand of organic food as well as antioxidants rich vegetable species like *Spinaciaoleracea*(spinach) and *Trigonellafoenum-graecum*(fenugreek) in the world. Spinach is a very good source of vitamin A and vitamin C and also rich in omega 3 and 6 fatty acids. The other species fenugreek and its leaves is one of the richest source of selenium, calcium and it also enhances antioxidant production in human body. Both of these antioxidant rich plants are also good source of iron. Hydroponic system can be better choice for organic farming in field and in household farming. Various technological innovations have been done in development of organic waste as an organic fertilizer or nutrient media in such farming techniques. The mix composition of waste from animal was expected to increase in the growth and yield of the plants. The field experiment was done in two months. Where it was performed in two different sets of nutrient media. One with chemical fertilizer (NPK 19:19:19) with Hydropro as growth regulator and other with composition of organic fertilizer which is animal waste, tea leaves extract and vermish in three replicates R1 [1.5 %:1.5%:1%], R2 [2%:2%:1.5%] and R3 [2.5%:2.5%:2%]. The result of this study was recorded with the conclusion that R1 composition of organic fertilizer was having significant impact on growth and yield of both plant species compared to the composition of chemical fertilizer and hydropro growth regulator. The composition of R1 showed result after two weeks

Principal / Headmaster / Headmistress

BNCC CONFERENCE, 22 KAR BN NCC, KALABURAGI ON 20 DEC 2018

1. All ANOs / Conveners will attend the Conference being held in the unit with the following documents on 20 Dec 2018.

- (a) Enrollment forms who have not submitted till date.
- (b) Long Roll of Cadets (to find the details of Attendance by Cadets every month).
- (c) Attendance register.
- (d) Nominal Roll of cadets who are appearing in Retest for Cert 'B' & 'C' Exam along with Admit card & self application.
- (e) Names of Cadets who have completed their Degree from own Institution but presently studying in different institution and on strength of NCC as Cadets - to produce Enrollment form as well as NOC signed by Principal of the institution along with nominal roll.
- (f) A, B & C Cert Exam Nominal roll along with scanned photos of cadets, soft and hard copy in excel form - Arial 12.

2. Documents kept for Cadet Appearing in Cert Exam are as under ->

- (a) Admit Card
- (b) SSC Marks Card
- (c) Last exam passed mark certificate.
- (d) One Camp Cert for Cert 'A' and Cert 'B' Exam
- (e) Two Camp Cert for Cert 'C' Exam (last year one Camp Cert & Current Trg year one Camp Cert)
- (f) Author card.

2

- (g) Photographs - 8 x Passport, 8x Stamp Size in uniform without head gear for Cert 'B' & 'C' Cert Exam. Boys with proper Haircut and shaved, Girls with no plaits seen.
- (h) Photographs 8 x Passport in uniform without headgear for Cert 'A' Cert Exam.

3. It has come to the notice of the unit, Lt Suresh Nandgoan, ANO of S B Arts College in July 2018 has reflected the Strength of Cadets who have completed their three year academic studies and are no more students from the college, but failed in Cert 'B' and 'C' Exam as Cadets in 2nd year and 3rd year. This is clear case of fudging of an Enrollment data, furnishing of wrong information to make up for deficiency in an enrolled strength of the college.

4. In view of the above all ANOs are reqd to furnish the following docs wrt cadets who are appearing in Cert Exam 'A', 'B' and 'C' -

- (a) Cert of their Cadets being students in their own institutions duly signed by Principal / Headmaster / Headmistress.
- (b) In case Cadets belong to other institutions enrolled in NCC under Open Vac Quota, they are reqd to produce Cert of them presently being students of the college alongwith the NOC duly signed by their Principal or Headmaster / Headmistress.
- (c) Proof of the Cadets having passed 8th Std / 9th std in case of cadets from schools and 1st year and 2nd Year academic session in case of colleges.
- (d) Produce Enrollment form of the cadets duly filled in all aspects.
- (e) Nominal roll of the cadets in Excel Sheet alongwith Colour Photo in Uniform.

5. In case your ANOs do not produce the supporting documents by 05 Jan 2018 for checking and verification of the furnished data by the unit, the cadets will not be permitted to appear in the Cert Exam.

6. The responsibility for cadets failing to appear in the Certificate Exam would entirely rest on the Principal / Headmaster / Headmistress. Unit will not be held responsible.
