Activity Report

One Week Faculty Development programme was organized by Internal Quality Assurance Cell on "e-content development and learning management system" from June 21 to June 26, 2021. FDP has received the good response from all young and experienced faculty members. A total of 44 participants registered for the event from various faculties. During this event, eminent experts from academia as well industry with the experience in the field guided the participants on various aspects of e-content development and Learning management system. Also, the queries of the participants were well addressed by the speakers. During this One week Programme, there were 12 sessions including theory and practical followed by participant's feedback. The participants' feedback claims that participants found this FDP quite beneficial. Many participants also requested to arrange similar FDPs in the future. Participation Certificates were also issued to the participants who successfully completed the programme.
