To,
The Registrar,
Gulbarga University, Kalaburagi

Sub: Submission of feedback analysis report about the existing curriculum of Gulbarga University, Kalaburagi- regarding

Respected Sir,

Greetings of the day!

As a part of the quality assurance initiative, IQAC collects feedback on the curriculum, teaching-learning process & ambience of the teaching-learning facilities from various stakeholders such as Students/Teachers/Alumni and Employers for improvement in curriculum delivery and development process.

We have carried out a systematic analysis of the feedback obtained on the curriculum from various stakeholders. We want to present the following opinion of the stakeholders for future curriculum development & revision process at the University:

1. Introductory IT Skill courses should accompany Arts and Humanities programmes.
2. Commerce-related programmes should be provided with a few specializations, such as Digital Marketing, Finance and Accounting and Computer Applications.
3. More open elective options are to be provided to encourage interdepartmental and interdisciplinary learning across all branches of Arts, science and commerce branches, etc.
4. Some Locally need-based courses/ fieldwork/ University approved add-on programmes are to be introduced across all programmes based on community-based learning.
5. An industry Internship of 6 months should be made compulsory for the courses like BCA, B Com, M Com, M Sc. Zoology and M Sc. Biotechnology.
6. In PG Courses, students should be availed of a couple of specializations based on open electives and in-demand skills in the current market.

These points will be helpful and will consider for future curriculum development by the University.

Yours faithfully
