About:

A one day training program on Career guidance program on entrepreneurship training program was organized by Department of Computer Science on 21 January 2022. A workshop on entrepreneurship development was successfully completed. The resource persons for the workshop were Mr. Vikas Swami, CEO, Ubercore Data Labs, Bidar and Entrepreneurship Expert. The first session was on the importance of Skill and Entrepreneurship Development Training and the participants were told about the opportunity they have to get training at the nearest Repair Guru Centre in the city.

The next session was titled "Start-up Business Plan and Funding", and looked into brief investment requirement for setting up a Mobile repair shop and Credit Linkages available through Mudra loans and other Banks for those who want to take this step. This proved to be a very fruitful session as most participants were eager to become entrepreneurs but had no idea where to begin and where to get the investment from. The next session looked into the infrastructure set up required for a startup. It was shared that Repair Guru will help them set up their micro enterprise in an even and proficient manner. There was also a talk on service enablement where the repair Guru Model of Hub was discussed and the expert spoke on how repair support is provided..
