About the event:

Karnatak Arts, Science and Commerce College, Bidar organized one day program on how to Prepare for Exam and Achieve your Goal by Collaborating with Jnana Vikasa Academy on 10-8-2022 at 10:00 AM in AV Hall. The recourse person Sri. Rajwardhan from Bengaluru & Sri. Guruna Gouda, from Vijayapura delivered a talk on week prior to an examination is a period of great stress for students. In order to avoid pressure, it is important to follow a routine with sincerity that helps them prepare for exams well. Spending long hours in your study room does not guarantee a high score in exams at the school, college, or university level. Many students have the habit of having fun until a week before the exams and then attempting to mug up everything. This is a very wrong approach. You need to make sure you do not miss a single lecture in class. Most students study all night for exams, but this is not a wise thing to do. Studying in a group can help you to review and compare notes with your friends. Self-evaluation prior to the exam gives you a clear picture of what you know and what things you actually lack knowledge about. A total of 168 students from different streams have participated in this program.

This event is run in two sessions. First session 10:00am to 11:30am during this session 82 students participated and in second session 86 students attended at 12 to 01:30pm in Conference Hall, KASCC, Bidar.
