About the event:

Training and Placement cell KASCC Bidar organized a Mock Placement Drive in collaboration with Hire Me Company on 12-08-2018 at 11:00 AM in A.V Hall. In this drive resource person of Hire Me, Company delivered his speech to students about the mock interview. A mock interview, also known as a practice interview, is a simulation of an actual job interview. It provides job seekers with an opportunity to practice for an interview and receive feedback on their interviewing skills. The mock interviews are conducted as a practice job interview held with a professional career counselor. A mock interview helps you learn how to answer difficult questions, develop interview strategies, improve your communication skills, and reduce your stress before an actual job interview. Such interviews are conducted by the Department of Training and Placement Cell in regular intervals for the benefit of students to get a taste of the entire placement process during the Campus Placements. The feedback from Human Resource (HR) officials of various esteemed organizations is shared with the students so that the students apprehend where they stand in the competition. Industry HRs attend the process to help the students in gauging their Aptitude, Technical and other skills and give them their valuable suggestions.
