But when it comes to public places, we maintain very poor civic sensor social ethics. No one else is going to do for us but we have to bring in the change. Civic sense is all about having consideration for a fellow human being. It means being polite, showing consideration to the elderly, women, children, and disabled people, driving in one's lane without honking, throwing one's garbage in dust bins, and smoking only at designated places.

The NSS Unit of Karnatak Arts, Science and Commerce College, Bidar has organized Plastic Free Campaign under Unnat Bharat Abhiyan.
