Online Session – 02

Title: Intellectual property rights

Time: 11:45 am to 12:45 pm

After completion of the first online session, next online began for this there was a guest introduction presented by Prof. **Somnath Biradar** Co-coordinator of IIC Cell KASCC, Bidar.

Mr. Gururaj Surampalli, director Edureq skill development LLP, MoE's Innovations ambassador IIC-GNDECB, President Nain Incubations College Co-ordinator, Bidar such a great speaker started his talk with the title of Innovations & Technology this sharply begins at 11:55 am sir started his talk with Introduction part explained detailed which are the implications of innovation in economic and social life? The answer to this question, as one can argue, is based on the meaning of the term innovation. A widespread perception on innovation is one that refers to advanced technology solutions offered by using the latest knowledge. Such innovations are mainly considered to be the result of highly skilled workforce and businesses activity with significant research and development intensity, having close linkages to the most important centers of excellence in the scientific world.

The significance of innovation is, however, broader and includes innovations that are not achieved within high-tech industry mentioned above. From this last perspective, innovations do not include only new products or processes, but also cover the improved ones resulted from the so-called low-tech sectors, which may have cumulative economic and social effects as important.

Mr. Gururaj Surampalli has been explained detailed about the Innovations & Technologies the following topic has been covered the Education Technology Objectives.

- Classroom and Institution Management
- Better Lectures and Presentations
- Reflect Work Conditions
- Remediation
- Technical Training
- Customized Learning
- Diagnostic Model of Education
- Extended Learning
- Self-Directed Learners

Mr. Gururaj Surampalli guided with the inspirations words to all the students and also shared the intellectual knowledge how to do the better Innovations & Technologies in respective filed, this talk is concluded by student's interaction with the guest speaker.

It was followed by the formal vote of thanks by **Dr. Vinodkumar K**, Convener IIC Cell KASCC, Bidar.

For these online talk 358 students register through Google form and 216 students attended the online session.

**One day workshop on Intellectual Property Rights and Its
Protection in INDIA**

REPORT

Dr. Sharan Gouda Explained the importance of Intellectual property rights in India mainly include encompassing Trademarks, Copyrights, Patents, and Design, etc. Each category of Intellectual property covers a different group of properties and work. It is necessary for choosing the right category to safeguard the work and the business property.

Sir Also explained about the Intellectual Property Rights are legal rights, which result from intellectual activity in industrial, scientific, literary & artistic fields. These rights Safeguard creators and other producers of intellectual goods & services by granting them certain time-limited rights to control their use. Protected IP rights like other property can be a matter of trade, which can be owned, sold or bought. These are intangible and non-exhausted consumption. Indian government approved its first Intellectual Property Rights Policy.

Online Session – 01:

Title: Entrepreneurship opportunities for Young Minds

Time: 02:00 pm to 03:00 pm

On 30 July 2022 a great day to learn our students about the Entrepreneurship & Start- up business opportunities in India the and most informative online session was organized by our college at 02:00 pm, under the IIC cell of KASCC, Bidar, Impact lecture series – 02 conducted in two online sessions and it was held in Auditorium of KASCC, Bidar. In this impact lecture series witness by our college students, teachers and industrialist of our city. It followed by welcome speech given by the Vice-principal **Dr. Mallikarjun Hangarge** then there was a guest introduction presented by **Prof. Anilkumar C.** Vice-Presidents of IIC Cell of our college.

The first online session sharply started at 02:00 pm and keynote speaker was **Dr.Chacko Preno Koshy**, Associate professor, mechanical engineering branch, saintgits college of engineering, Kottayam, Kerala. Title of his talk is Entrepreneurship opportunities for young minds, sir has covered all the topics of Entrepreneurship opportunities for young minds such as follows.

- Introduction
- Background
- Business Models for Youth Entrepreneurship
- Challenges for Youth Entrepreneurship

Dr.Chacko Preno Koshy concluded his talk with the motivated to young students of our college and sir has explained finally sharing the following information about is evidence that young people are enthusiastic about starting businesses. However, it is also clear that few young people actually start businesses relative to those who express an interest and that their

failure rates exceed those in older population groups. This reflects a number of barriers affecting youth entrepreneurship in areas including skills, networks and financing; barriers that are often particular to youth or more severe for youth than for adults. Youth entrepreneurship is not a panacea for solving the youth unemployment problem but it does have a role to play in facilitating both - employment and entrepreneurship development, hence it can be a part of the response. While context clearly matters, to maximize effectiveness and efficiency, policy should target resources on young people with the best chance of success, provide sufficient support to allow them to start businesses outside the low entry barrier but high competition sectors, and provide integrated packages of complementary support rather than one-shot instruments.

Dr. Chacko Preno Koshy guided with the inspirations words and also shared the knowledge how to do better in Entrepreneurship & Start-up business in India. This talk is concluded by student's interaction with the guest speaker.

For these online talk 406 students register through Google form and 235 students attended the online session.

It was followed by the formal vote of thanks by **Dr. Somnath Mudda**, Co-coordinator of IIC Cell KASCC, Bidar.
