**POLICY FOR RESOURCE MOBILIZATION  
&  
UTILIZATION**

(w.e.f. 2017-18, revised during 2021-22)

## **INTRODUCTION:**

Through its effective mechanism for resource mobilization and utilization, the KRE Society's Karnatak Arts, Science and Commerce College in Bidar has implemented a comprehensive approach to good governance and planning. By efficiently allocating resources for various aspects of college life, such as academic programs, administrative functions, and extracurricular activities, the institution can ensure that all students have access to the necessary resources and opportunities to succeed in their academic and personal pursuits. Additionally, this mechanism enables the college to optimize its use of resources, minimize waste, and maintain financial sustainability over the long term. Overall, this approach reflects the institution's commitment to providing a high-quality and holistic educational experience to its students.

## **PURPOSE:**

The purpose of this document is to establish guidelines for the optimal utilization and mobilization of institutional resources at KRE Society's Karnatak Arts, Science and Commerce College, Bidar, with a specific focus on its full-time staff members during their period of employment at the institution. The guidelines aim to ensure that the institution's resources are used efficiently and effectively, and that staff members have access to the necessary resources to fulfill their roles and responsibilities within the college. By adhering to these guidelines, the college can promote a culture of responsible resource management and support the long-term sustainability of its operations.

## SCOPE:

This policy document applies to both teaching and non-teaching staff of the various departments.

## OBJECTIVES:

- To enhance the resource mobilization system
- To bring the transparency in resource management
- To facilitate the mechanism for efficient resource allocation and utilization

## RESOURCE MOBILIZATION

- KRE Society's Karnatak Arts, Science, and Commerce College in Bidar places significant importance on identifying the activities that require special financial assistance in both the short and long term during resource allocation and planning. This approach helps the college effectively plan its annual budget and allocate resources to meet its objectives.
- The allocation of the financial budget is based on the strategic plan of the institution, ensuring that resources are distributed in a manner that aligns with the college's goals and priorities.
- The institution takes a comprehensive approach to identifying and analyzing the resources available for various academic and non-academic programs, activities, as well as

research and development activities. This enables the college to allocate resources efficiently and effectively to support the full range of activities and initiatives undertaken by the college.

- Knowing and analyzing the existing financial environment, the resources that are available, and the support commitment from different stakeholders and professional organizations
- Maximizing resource creation and utilization, through internal funding.

#### **SOURCES FOR FINANCIAL RESOURCES**

- Tuition Fees collected from students
